Subject: Inquiry Regarding Frontend Web Developer Position
Date: December 30, 2025

Dear Mr. Smith,

I hope this message finds you well. I recently came across the Frontend Web Developer position posted on TechNova Solutions' website, and I am very interested in applying for this role. With a strong background in web development and a keen interest in creating interactive user interfaces, I believe I can contribute positively to your team.

I would like to kindly ask two questions regarding the position:

1. If selected, would it be possible to conduct the interview online?
2. What is the expected joining date for the selected candidate?

Thank you very much for your time and consideration. I look forward to your response.

Best regards,

Arzoo Ahmed
